Jacksonville's Most Energy Efficient Homes

Every TerraWise buyer is guaranteed to have one of the most energy efficient new homes in Jacksonville. Our homes are designed to the latest standards and include features that deliver the lowest HERS Ratings. Add a Solar Package and go full **Net-Zero**. And be one our first buyers this summer to load it up with free energy efficient new appliances!

Prices start in the low \$200s and the savings last for years to come. Buyer must have one of the first two contracts written after June 14, 2017 to qualify and close on the home to receive free appliance package. Ask a Cedarbrook Sales Associate for complete details.
